The Wedding Barn & Holiday Barn are nestled in the rural hamlet of Wardlow, surrounded by countryside and farmland in the heart of the National Park, with views out to Cressbrook Dale and Peter's Stone, ideal for a rustic photoshoot or pre-wedding stroll.

Lovingly renovated over 20 years ago, the wedding and holiday barns are exclusively yours for the duration of your stay, with room for up to 26 guests to stay in a large converted holiday barn and cottage across the gravel driveway from the wedding barn and games room.

When you book your wedding with us, you have exclusive use of the barns for the duration of your stay. We are a DIY venue, which means that you can add personal touches and select your own suppliers, creating an intimate space for up to 100 guests.

WEDDING BARN

The Wedding Barn measures 20m x 12m, with plenty of room for a ceremony, dining, and dancing. It is decorated with festoon ceiling lights, fairy lights and canvas drapes, vintage mirrors and a large mirror ball. You can choose to add to the decor or leave it as it is, depending on your own style and vision. It includes oak crossback chairs & tables, as well as benches for outdoor ceremonies. From the wedding barn there is direct access to the games room and the bar.

ACCOMMODATION

Literally a stone's throw from the wedding barn, the beautifully renovated holiday barn sleeps up to 22 people across 8 bedrooms, and the cottage annex sleeps up to 4 people and has 2 bedrooms.

The barn's open plan lounge/diner/kitchen is a highlight for guests staying in the barn, as they prepare for their wedding day with family and friends and meet for big breakfast gatherings.

SPACE FOR CATERERS

Attached to the wedding barn is a useful prep space for caterers, fitted with stainless steel tables and a sink. Caterers have access to the back of the wedding barn where they can set up a field kitchen. We have a list of local companies who have previously worked at the barn who you can select from.

FURNITURE

Our in-house tables and chairs can be arranged in any configuration by you. Popular choices include Harry Potter-style dining in long rows with a top table, or more traditional groupings of tables; some couples opt out of a top table altogether for a less formal feel. Our 30 x benches can be used for outdoor licensed ceremonies, or with your own celebrant /personal declarations.

BAR AREA

The bar area is situated directly off the wedding barn. You can work with one of our suppliers and/or hire staff to help serve your drinks.

PARKING

If the weather is up to it, we have a parking field for your day guests; there is also parking around the site for cars.

GAMES ROOM

Open up the wide wooden doors from the wedding barn into the games room. Here you will find table tennis, pool table, darts, in-built pizza oven, comfy seating and all important WCs. The table tennis can be taken away and the pool table has a lid if required.

COVERED TERRACE

To the side of the games room is a sheltered terrace with outside furniture, ideal as a breakout space.

SUNNY LAWNS

The two grassed areas are ideal for wedding ceremonies or hired-in games such as giant jenga, chess and drafts.

PLANNING VISITS

You are welcome to visit the barn to plan the statistics of your weekend whenever we are working there on site.
